Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Carol Mintz on 6/10/04.

The application has been amended as follows:

Cancel claims 1-8 and 18.

Rejoinder

As generic claim 9 has been found to be allowable for the reasons set forth below, claim 13 is hereby rejoined with claims 1-12 and 14-17.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the closest prior art of MURAKAMI et al. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the
